

927 meals have been served this month

Monthly Update

Another very busy month of 2021 has come to an end & Pathway has marched on through the pandemic. We have seen a consistent rise in clients, with our daily average regularly exceeding 90. Donations have continued to come in, however we have seen a decline since the Christmas peak. Our lovely uniforms have landed & look very smart & professional. The volunteers are all proudly wearing them. We also enjoyed a wonderful cupcake delivery from the Apron Army as a thank you to our volunteers who have worked so hard during these unprecedented times.

A moment for reflection

Acts 20:35

In everything I showed you that by working hard in this manner you must help the weak & remember the words of the Lord Jesus, that He Himself said, 'It is more blessed to give than to receive.'

Network Partner

This month we showcase **Kingsgate Hot Food Hub** at Kingsgate Community Church, they deliver hot food on Tuesdays & Thursdays to vulnerable people in Great Yarmouth & Gorleston.

Forward Look

We are currently building the foundations in order to become a food bank point, to serve our local community food parcels. This is a referral based system that will operate on different days to our current offering & will fulfil a demand within the town for this service.

Meet our Volunteer

Cathy has been volunteering for two years following retiring from nursing. She is back working vaccinating the public due to the pandemic. She is married with three grown up children - now replaced by two dogs! She enjoys running, open water swimming, bee-keeping & working at the allotment.

A note from Jen Charity Manager

As another month draws to a close, I feel a great deal of optimism & motivation about our progress. Although it is a worrying that our numbers continue to rise, a reflection of the ongoing deprivation in our town; I find solace that we are serving the community where there is need & I hope we are making a positive impact. The fact that clients come to us is encouraging & our volunteers work really hard to offer a friendly, efficient & reliable service. The consistency of what we offer can bring some stability into people's otherwise uncertain lives. Our new uniforms have introduced a sense of identity & I am so proud to be involved with Pathway & I am excited about the coming months of development ahead.

Thought for the month
