Reflection

We live in a period of anxiety. There seem to be many challenges which make us fearful. We might even question our faith. Today's celebration of the saints and heroes of Christianity reminds us that we are not unique in this. Those who have gone before also faced fear and anxiety. Some even faced great ordeals. But they trusted with joy and hope in the love of God and his power to save. We can learn from their example of faith. Like them, we can turn the narrative of anxiety and fear of our own time into one of joy, hope and faith in God.

Revd Richard
